John, how would you like to...

**Stay in the
home you love
for the rest of
your life**

**Use the money for
anything you wish**

Can you imagine what it might be like to never worry about money again? You're probably thinking this is impossible – but it really isn't.

Many people like you have discovered a Government-insured program designed to help maintain their independence and quality of life. This program allows the equity you have built up in your home to pay for whatever you need — without the risk of losing your home or ever having to repay that equity while you are still in your home. Like you, they wanted a safe, no hassle solution that they could count on.

Use your money to:

- Pay off high interest credit card debt.
- Make home repairs or improvements.
- Cover medical expenses.
- Take advantage of investment opportunities.
- Take that trip you've been putting off for too long.

**Eliminate your
mortgage payments**
